Interpretation of Statutory Board Financial Reporting Standard 110 *Interim Financial Reporting and Impairment* (INT SB-FRS 110) is set out in paragraphs 1–14. The scope and authority of Interpretations are set out in the *Preface to Statutory Board Financial Reporting Standards*.

# Interpretation of Statutory Board Financial Reporting Standard 110

## *Interim Financial Reporting and Impairment*

### References

---

- SB-FRS 34 *Interim Financial Reporting*
- SB-FRS 36 *Impairment of Assets*
- SB-FRS 109 *Financial Instruments*

### Background

---

- 1 An entity is required to assess goodwill for impairment at the end of each reporting period, and, if required, to recognise an impairment loss at that date in accordance with SB-FRS 36. However, at the end of a subsequent reporting period, conditions may have so changed that the impairment loss would have been reduced or avoided had the impairment assessment been made only at that date. This Interpretation provides guidance on whether such impairment losses should ever be reversed.
- 2 The Interpretation addresses the interaction between the requirements of SB-FRS 34 and the recognition of impairment losses on goodwill in SB-FRS 36, and the effect of that interaction on subsequent interim and annual financial statements.

### Issue

---

- 3 SB-FRS 34 paragraph 28 requires an entity to apply the same accounting policies in its interim financial statements as are applied in its annual financial statements. It also states that 'the frequency of an entity's reporting (annual, half-yearly, or quarterly) shall not affect the measurement of its annual results. To achieve that objective, measurements for interim reporting purposes shall be made on a year-to-date basis.'
- 4 SB-FRS 36 paragraph 124 states that 'An impairment loss recognised for goodwill shall not be reversed in a subsequent period.'
- 5–6 [Deleted]
- 7 The Interpretation addresses the following issue:

Should an entity reverse impairment losses recognised in an interim period on goodwill if a loss would not have been recognised, or a smaller loss would have been recognised, had an impairment assessment been made only at the end of a subsequent reporting period?

### Consensus

---

- 8 An entity shall not reverse an impairment loss recognised in a previous interim period in respect of goodwill.
- 9 An entity shall not extend this consensus by analogy to other areas of potential conflict between SB-FRS 34 and other standards.

## **Effective date and transition**

---

10 This Interpretation becomes effective 1 April 2007.

11–13 [Not used]

14 SB-FRS 109, as issued in July 2015, amended paragraphs 1, 2, 7 and 8 and deleted paragraphs 5 and 6. An entity shall apply those amendments when it applies SB-FRS 109.
